

ADVANCED BREAST CARE

at SouthCoast HEALTH

First & Foremost

At SouthCoast Health, we set the standard in Advanced Breast Care, then built our reputation on it. From our advanced technology to our long-standing reputation for excellent patient care, we have a passion to provide earlier detection methods, and more innovative treatments to the Coastal Empire and Lowcountry. Join us as we celebrate Breast Cancer Awareness month and learn how SouthCoast Health puts Total Wellness first and foremost.

TECHNOLOGY

Our Imaging Center consistently brings the latest technologies and methods to the Coastal Empire and Lowcountry making us the most experienced provider in the region.

- First to offer **3D Mammography**
- First in the region, and third in the nation to provide **3D-Guided Stereotactic Biopsy**
- MRI, Ultrasound, Ultrasound Guided Biopsy, & **Genetic Screenings**
- **One of the few selected breast imaging centers** to offer our patients access to a national whole breast ultrasound clinical research initiative

ACCESS

The first in the region to offer a dedicated High-Risk Breast Cancer Clinic and offer Hidden Scar Breast Cancer Surgery.

- Preliminary **risk assessment**
- **Chemoprevention** referrals
- Lifestyle, and risk-reduction **counseling**
- Breast cancer **surgery that hides scars**, providing treatment while optimizing cosmetic results
- **Prophylactic** breast surgery

PATIENT CARE

The full power of our integrated network of physicians and specialists works for every patient, helping them make the best decisions.

- Nationally recognized as a **Patient-Centered Medical Home** by the National Committee for Quality Assurance
- Breast Imaging **Center of Excellence**
- Patient Care Navigator services help patients take **full advantage** of their treatment options
