

Employee of the Quarter

The Employee of the Quarter Program recognizes SouthCoast team members for outstanding accomplishments and/or contributions to SouthCoast and its mission statement. Eligible employees must display superior performance, innovative improvements, excel in his/her quality of work, and contribute to the SouthCoast core values. Nominations are submitted by the SouthCoast management team and then reviewed by the Executive Committee. The Executive Committee recognizes three employees from the following categories: clinical, administrative support, and clerical staff. Employee of the Quarter winners are eligible for Employee of the Year.

Kimberlee London - Lab Assistant, RH 89

Kimberlee has an enthusiastic positive attitude regarding her work and taking care of our patients. She promotes quality throughout the department and monitors her work and the work of co-workers to ensure all quality measures are being met. Her strong dedication and commitment to excellence shows in every aspect of her work. She pays close attention to every detail to ensure nothing is left undone or overlooked. Kimberlee listens and communicates with staff on a regular basis to determine ways to improve efficiency in the workplace. She is quick to recognize inefficiencies and put a process in place to better accommodate and minimize inconvenience to patients and physicians.

Cody Deese - Network Admin II, Admin

Cody is a solid team player. He will aid in any matter associated with supporting and servicing the SCH community technically. He has researched and worked to implement positive change processes and procedures. Cody dissects what is needed to solve a problem, lays out a roadmap and works diligently to stay on track. He is goal oriented and works in a manner that influences his peers to do the same.

Jasmine Parker - Self-Pay, RH 89

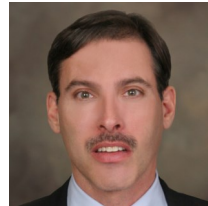

Jasmine's work has always been complete and accurate since she started with SCH. She goes out of the way to help her co-workers and patients. She always ask if anyone else needs help or if the department needs extra help. Jasmine has a pleasant and positive attitude when dealing with others and is a pleasure to have here at SCH!

Dr. Kristen Updegraff, winner

Ophthalmologist

Dr. Stephanie Croll, winner

Runner's Up: Family Medicine, Dr. Adam Novack; Pediatrician, Dr. David Mozer; Allergist/Immunologist, Dr. Wasil Khan; Cardiologist, Dr. Jeff Bolch; Neurologist, Dr. Victor Rosenfeld; Radiologist, Dr. David Estle

Family Physician

Dr. Firas Bannout, winner

SCH Employee Spotlight...

Medical Assistants Recognition Week: October 17-21, 2016

Medical Assistants Recognition Day: October 19, 2016

Medical assistants are health professionals that support the work of physicians and other health professionals, usually in a clinic setting. They do so many things to help make the office run smoothly.

Medical Assistant's Recognition Day is observed on Wednesday of the third full week in October. This is a day to show our appreciation to all the medical assistants who work tirelessly to make our lives easier.

Kudos to you! Providers and patients give thanks for all you do.

OCTOBER IS

Breast Cancer Awareness Month

Breast Cancer Awareness Month is an annual campaign to increase awareness of the disease. While most people are aware of breast cancer, many forget to take the steps to have a plan to detect the disease in its early stages and encourage others to do the same. We have made a lot of progress but still have a long way to go and need your help! Often those working in the healthcare industry are so focused on caring for their patients that they often allow their own care to go by the wayside. At SouthCoast Health Imaging we are encouraging the employees of SouthCoast to remember Breast Cancer Awareness month, the month of October. We encourage you to schedule your annual mammogram and take control of your own health and wellbeing. SouthCoast Health Imaging offers 3D mammography and have recently added a second 3D mammography machine to the Eisenhower location. Please give us a call to schedule your screening mammogram. These life saving screenings offer you early detection for a treatable disease.

Not only does SouthCoast Health Imaging offer 3D mammography, they offer a multitude of other highly important health screenings. Check out the list below of the health screenings which are available.

- **3D mammography (FIRST practice in the region to offer 3D mammography and stereotactic biopsy)**
- **Low Dose Screening Lung CT (FIRST practice in the region to offer Screening Lung CT which reduces lung cancer mortality by 20%)**
- **Virtual Colonoscopy (FIRST practice in the region to offer VC, 10 years of experience 'A' rating by the US Preventive Services Task Force)**
- **Ultrasound Vascular Screening for Aortic Aneurysm and Carotid stenosis**
- **DEXA screening for low bone density to prevent vertebral and hip fractures**

At SouthCoast Health Imaging we offer you experienced, board certified radiologists and registered technologists passionate about keeping you healthy. Give us a call today to schedule your screening. Remember, these life saving screenings offer you early detection for a treatable disease. Take the opportunity.

Submitted by Dr. P. Shapiro
