

Employee of the Year

The Employee of the Year is a gesture from SouthCoast Health to reward the efforts of our employees, it's a constant reminder of all the great achievements, hard work and dedication.

SCH's 2016 Employee of the Year is no other than, Barbara Lutz, RN for Dr. Grant at our Eisenhower Campus! Barbara delivers great personable customer service to her patients. She provides guidance and directions to the patients as if they were her own family. She diligently monitors her patients treatment plan and execution of care. Barbara has developed a routine of utilizing SCH available systems to review quality measure needs or deficiencies. Her goal is to ensure everyone's care is monitored and maintained to the best of her and their provider's ability.

Congratulations on a job well done Barbara and on celebrating 20 years of service with SCH!

The Entertainment Committee (Melanie Gunter, Sandra Rucker, Harvey Knowles, Rose Smith, Janice Graves, Angela Curry and Peron Scott), would like to thank each and everyone that attended SCH's 2016 Masquerade Ball. We hope you enjoyed your night!
