

Employee of the Quarter

The Employee of the Quarter Program recognizes SouthCoast team members for outstanding accomplishments and/or contributions to SouthCoast Health and its mission statement. Eligible employees must display superior performance, innovative improvements, excel in his/her quality of work, and contribute to SouthCoast's core values. Nominations are submitted by the SouthCoast management team and then reviewed by the Executive Committee. The Executive Committee recognizes three employees from the following categories: clinical, administrative support, and clerical staff. Employee of the Quarter winners are eligible for Employee of the Year.

Karen Crawford - CT/MRI Tech, Imaging, Savannah

Karen is always friendly to her patients and co-workers. She is professional and conscious of her work quality. She is an employee that we can depend on to come into work to ensure that the department is ready for staff and patients and that the imaging equipment is functional. Karen will come in on weekends and after hours whenever needed to accommodate others. She takes pride in her work and makes sure that it is high quality.

Jennifer Bouck - LPN, Pooler

Jennifer always works diligently to make sure patient's are notified of their results or any other needs are handled in a timely and efficient manner. She is always a step ahead and making sure that all areas of the office is covered, she is always the first to volunteer to assist in any area needed. She is always very kind, compassionate and empathizes with her patients. Physicians and staff often seek out Jennifer's assistance in resolve clinical issues in the office.

Tracy Bork - Network Admin II

Tracy is a solid team player. He will aid in any matter associated with supporting and serving the SCH community technically. Tracy has made it a point to assist all team members with any work when help is needed, he doesn't wait for them to ask for the help. His demeanor when he is walking all of our locations is always friendly toward staff, patients and other clients. Tracy goes out of his way to make sure that everything has been addressed and the issues have been resolved.

SouthCoast Health's Eisenhower Drive Campus Welcomes Two New Nurse Practitioners

Isolda Ng, Nurse Practitioner for our Cardiology department was born and raised in Portugal and came to the United States when she was 18 years old to attend nursing school. She graduated in 2009 from the University of South Carolina with her BSN and received her MSN from South University in 2017, where she graduated with high honors and was inducted into Sigma Theta Tau Honor Society of Nursing. She was also named one of the top nurses of Bluffton by the International Nurses Association.

Isolda is married to a wonderful guy and has a gorgeous daughter. She loves the beach, and plays volleyball on a local team. Most importantly, she loves her patients and loves being able to teach them and help them get healthier by controlling their diseases.

Jamie Crawford will be our new Nurse Practitioner at our Eisenhower Campus in building 1. She is originally from Springfield, Ohio but has lived in the Savannah area for over 5 years. She received her undergrad from Wright State University in 2012 and her MSN from the University of Cincinnati in 2016, both in Ohio. Jamie has worked in the medical field for the past nine years.

Jamie has been married for a little over 2 years now. She and her husband have a three month old baby boy; Jamie also has a nine year old step-daughter. Jamie enjoys volleyball and running. They also have 2 German Shepherds named Anja and Sophie, who love to go to the beach.

CUSTOMER SERVICE 101

Tracy Bork did an outstanding job getting internet/EMR up and going in the modular unit in Richmond Hill. He was here early, stayed as long as needed, and was readily available and helpful. The connection speed is actually considerable better here than at our main building (89 Interchange.)

Thumbs up to Tracy for a job well done.

Medical Assistants are at the Heart of Health Care

SCH In The Know...

SouthCoast Health wants to enhance our employees ability to save for retirement. As a result, SouthCoast will auto enroll all eligible employees into the 401K retirement plan on 1/1/2018. Eligible employee definition: 21 years of age, employed for 12 months and worked a minimum of 1,000 hours in the past year. We will defer 3% of your salary on a pre-tax basis into an account for you at Voya. The default mutual fund we use is the T Rowe Target Date fund that is based upon your approximate retirement year at the age of 65. If you are not currently in the plan or have stopped contributions, Voya will mail you documents regarding the auto enrollment in late November. At this point, you may opt to stay at the 3%, increase or lower the deferral amount or opt out completely. In January 2015 we started auto enrollment for all newly eligible employees and have found it to be a great success.

In order to continue to help our employees to save for retirement, SouthCoast will use the auto-escalation feature of the plan and increase deferrals each July 1st starting in 2018 by 1% up to a maximum of 7%. Again, you will have the option to keep at your current deferment, lower it or increase it. Human Resources can provide you with paperwork to make the change. Any one currently contributing below 7% to their retirement plan, will automatically be auto escalated in increments of 1%. Anyone contributing above 7% will not be affected.

Please remember, you may always change your deferral amount to increase it, lower it or cease contributing to the plan.
